In the same letter it was requested that an allowance of Rs.5/ be made to the two Head constables on Special Plague duty on the Madras Frontier in order that this small allowance may enable them to keep up a small pony for their conveyance which is heavy

The Superintendent of Police also reports that in addition to the outposts established of which mention was made in his letter above quoted another has since been opened as a trial Station near Chokra Bundi Village over which Coolies in large numbers arrive for work in the Fields and he begs that the Field or Sepoy tents asked for therein to accomodate the men may be issued from the stores This requisition is urgent— and to which I would request the favour of your Kind attention

Sir

I have the honor to forward herewith for your information letter and memo dated 9-2-98 from the Superintendent of Police Kolar Gold Fields announcing the medical inspection at Bowringpet in which he also applies for a further addition to the Special Plague Police of 4 Head Constables and 24 men This is necessitated, as will be observed from the papers by the large number of men taken up for inspection of passengers by Railway and on the various Roads leading to Bowringpet and Gold Fields. The pay of the Head Constables should be at Rs 30/- each with a local allowance of Rs 10/- as they will have to be specially attached to the Plague and Segregation camps of the Gold Fields and Bowringpet, and the pay of the Constables to be also as the Scale lately sanctioned by Government in their Proceedings No 7846/48 Miss F. 21-96, dated Bangalore 10-1-98 viz 12 1st cl Consts @ Rs 8+4

and 12 2nd cl. constables @ Rs 7+4.

6 As it is of the utmost importance that this extra force should be placed at the disposal of the Superintendent of Police- Gold Fields as early as possible I have to request that you will be good enough to secure the Sanction of Government early to this addition as also to an increase of Rs 5/- to the present local allowances of the Head Constables that will have to be detailed for frontier and other duty as stated by the Superintendent in his memo which he limits to two for the present.

Having regard to the Mining industry and the spread of plague to parts nearer Mysore and its possible appearance in the Fields, the necessity of increasing the Force, so as to be ready for all emergencies appears very essential. The cost of this additional force will be rupees 436-0-0 per mensem, as per figures given in the margin and it will be sufficient if the force is sanctioned till the end of the current official year.

4 Hd Constables @ Rs 30+10 = Rs 160-0-0
12 I cl. Constables @ Rs 8+4 = Rs
12 II cl. Consls @ Rs 7+4 = 132
Total Rs 436/-

I have also to draw your attention to the suggestions made by the Superintendent in his memo of placing at his disposal a sufficient number of Sipoy tents for men on Outpost and frontier duty- which may be secured either from the School of Industry Jabalpoor, or from the Government Stores.

The early supply of Uniform and accoutrements and Boat cloaks to the men also

also is a matter referred to by the Superintendent and which I would commend to your notice.

I have the honor to submit for your information my memo of this date which announces the Medical inspection at Bowringpete of passengers entering the Gold Fields & the disposition of the Special Police recently sanctioned by Government in their Proceedings No. 7846/48 Misc 7. 21-96 Dated Bangalore 10th inst.

10th January 1898

It will be seen from this memo that after de-
aling the men so sanction-
ed. I shall have no men
available for the Plague
& Segregation Camps that
are now being constructed
in the Gold Fields and
Bowring pete unless they
are drawn from the Ex
cutive Police,
(But as this is likely
to considerably weaken
our efforts and lessen
our Chances of suppres-
ing Crime & probably
the disease itself the
only alternative left
now

Now a question arises must ask for special men for the Egyptian Hospitals & Railway duties

Now is to ask you to be good enough to move the Government to sanction the employment of other 24 Brew & 4 Head Constables for the Plague and Segregation Camps to be equally divided for both the Fields and Bowringpete - And as the Head Constables in Charge of the Plague Camps will have a very responsible and risky duty to perform I have to beg that their pay may be fixed at Rs 30 with a local allowance of Rs 10/.

I have to add here that at a late meeting held at the Municipal Chambers Bangalore by

by the Plague Commissioner
it was brought to his
notice by the Superintendents
of Campos that it was of
the utmost importance
to have additional out
posts on our border to
watch the passenger
traffic to the mines &
with reference to this
my instructions from
the Plague Commissioner
were very direct & this
I have now attended to —
My men, both the executive
the Special will have
to be employed at all
hours of the day & night
and I believe I have your
support when I recommend that they should

health & in addition to this
I have suggested the
supply of small tents
for each of the outposts
now in force

In submitting this
I would specially bring
to your kind notice the
necessity for ~~(illegible)~~ increas-

By Superintendent of Police
Gold Fields

I have to report the arrival of the Medical officer appointed for Plague inspection and to the inspection having commenced this morning at Bowringpett

The British Police provided 4 Police constables and 1 Sergeant under the orders of Chief Constable Haygreen and the Mysore Police 6 constables and one Duffadar

The necessary number of ropes and lanterns for night trains have also been supplied by me to avoid any delay

Mr Hewetson was advised by

15

by Telegraph yesterday to come up this day to make the necessary arrangement but as I received no reply as to his probable arrival the arrangement, as directed by the Plague Commissioner on his late inspection, were followed and the same communicated to the British and Mysore Police on Platform duty

The Nurse directed to assist the Assistant Surgeon is the Native midwife of the Bowringpett Dispensary and I believe not qualified for the duties of an inspecting officer European

} Sent to the British Police work Agent Whs

~~an~~ Eurasian nurses are available at Bowringpett from amongst the wives of the guards employed at Bowringpett and their services could be easily secured and will be far more suitable and advantageous to both the communities of the travelling publicn

Add please
for sanction

In connection with the inspection at Bowringpett similar inspection will be held at the following points as directed by the Plague Commissioner

1 Ghat Post
2 Chintole bridle path
3. Pitchapally
4 Kadsimbale
5 Bethamangala
6 Sundrapalya frontier

To each of these are attached 2 constables.

All these arrangements will be made if the work is undertaken done at our frontier

7 A-grahar
8 Kully Kootoor
9 Kempapur
10 Dimbala

To each of these are attached two Constables.

In addition to these I have attached to each of the Gudipalle and Bisanatham Railway Stations in addition to that at Kamasamudra one constable, so that, including the 6 men on duty on the Bowring pett Platform I have 29 men on special plague duty ~~out~~ of the 24 constables sanctioned by Government in their Proceedings No. 7846-48 / Mis. 7. 21-96 dated 10th January 1898, and One Sub-Inspector, three Head-constables and 2 Duffadars — have been detailed in addition to watch the entrances into the Gold Fields and to submit their result every week, their instructions are to watch the influx of passengers into the

the Mining industry and detain
all who may be suspected to be suffering from
the Bubonic Plague or have come
from infected parts
I inspected the Ghaut, Pitchpally
and Chinkolé outposts yesterday
It is not possible to erect comfortable
sheds for the men at any of the
most important posts and it
is of the utmost importance in
order to enact good and willing
work that we should have the
men at these posts comfortably
sheltered and I would suggest
that the Plague Commissioner
be moved to supply me with
small sleeping tents available
to

to accommodate 4 men -
I believe these can be secured
from the Jubbulpoor School
of Industry and can be easily
removed, carried and pitched
by the men themselves
The uniform for the 24 men and
officers have not been received
yet and they are urgently
needed -
It will be noticed from the
above figures that I will not
have any men to spare for the
Plague and Segregation camps
of the Gold Fields and Bowring-
pett unless they are taken from
the men employed on executive
duty -

or tents
by the first
steamer

write please
for them -

As this will be impossible since they will be required for very heavy work in case the disease shows itself in the Fields or its neighbourhood I have to request sanction to the entertainment of 24 men and 4 officers on similar pay and allowances as sanctioned in Government Notification No 7846-48 Mis. J. 21-96 dated 10th January 1898 and that two of the officers who will be employed in the Plague Camps be allowed in addition to their pay a local allowance of Rs 150 per month each

Sir,

With reference to your memo x
No. K/1 of 97-98 dated 2-2-98 of inspection of the Goribidnur Police Station, I have the honor to state that an officer being found necessary to the exclusive patrol of the Chikballapur Town an important Centre in the District, the Duffedar of the Hudumalkunte Station of the Goribidnore Taluq, was removed and posted to this town some years ago Since then Hudumalkunte Station

This is with reference to

Station is being managed by an in charge Constable. Of late, however, this station has risen in importance, on account of Vidur Aswatha, which has been attracting a large number of pilgrims from distant place since Dod Kurgod Railway station was opened. It has been found necessary to depute a Constable to visit Vidur Aswatha every day. It is besides situated on the borders of the Hindupur Taluq and a number of pilgrims come from the Plague affected parts. It is therefore, necessary to open an out-post at Vidur Aswatha, by strengthening this station, with a permanent Duffedar, and a 1st grade Constable. The Constable will be located at Vidur Aswatha, and the execution of the important duties connected with Plague Preventive measures and guarding against the ingress of people from Plague affected parts getting down at Hindupur and

This is not a Plague charge.

Comms

coming into the Province road will be entrusted to the Duffedar instead of a Constable as is now the case the permanent appointment of a Lance Duffedar and as 1st grade Constable for this station will thus be seen indispensable

x no. 110 dated 3-2-98 mis 76

2- With reference to the Plague Commissioner's notes of inspection of Goribednore, I beg to state that of the above recommendation for a permanent Duffedar for Kudumalakunte sub station, and a 1st grade Constable for Vidur Aswatha be sanctioned, these additional hands with the 2nd class Constable already sanctioned for the duty at Dod Kurgod Railway station, will suffice for plague duty within the Kudumalkunte sub-station limits

3 As remarked by the Plague Commissioner in his notes above alluded to an additional 1st Class Constable is necessary for

for the Gooibedmore Railway station
to be in charge of the Plague
sheds there, as one and the
same Constable cannot be ex-
pected to look after the sheds
as well as the Railway Platform

4 There are two Railway stations
in the Malur Taluq, viz Malur
and Tyakal No separate
Constables being given for them,
a Constable from those Police
stations are at present told off for
plague duty at those stations
This has necessitated the stop
ping of two beats in those sta-
tions It is therefore proposed that
a 1st class Constable for each
of these stations may kindly
be given

5 I see that from the Railway
station at Malakalacheru in the
madanpally Taluq on the Royal
Cheruvu Anantapur line of
the South Indian Railways
there is every probability of pas-
sengers from the Plague affect-
ed tracts entering into this Pro-
vince through Gounpally of
the

the Srinivaspur Taluq It is
I think therefore advisable to
post an Ukkad on the Cart
tract leading from that station
on our frontiers with one vil-
lage servant at 2/Rs and an in-
telligent 1st grade constable to
watch this ingress

6. Under the above circumstances
I solicit sanction for the ap-
pointment of a permanent
Lancee Duffedar for the Kudu-
malakunte station, a perma-
nent 1st grade Constable for
Dod Kurpode, and the temporary
appointment of 4 1st Class
Constables at one to each of
the Railway stations at Gori-
bidnore, Mahur, Tyakul, and

Remarks passed by the Superintendent of Police T. G. P. on the Diary of the Head Constable M. Gurusawmy Moodr. on Plague Duty at Bowringpett D/ 23-4-98

The Head Constable will see Mr Duncan and find out how many men are actually wanted to complete the watching of the platform on arrival of trains more satisfactorily and with no further complaint. The points at which extra men are now wanted will be noted in this Diary so that instructions may issue

It will be however necessary to restrict the Railway Police to the examination of passengers

at the ticket gates as originally
communicated by the President and
Plague Commissioners circulars. as
I am not quite satisfied whether
they would help us in any way if we
place them anywhere else, a couple
of Constables may now be detailed
to prevent passengers alighting on
the wrong side and so escaping
observation and inspection I believe
this is specially practised by passengers
coming from Bangalore

All passengers caught with
tickets not handed over to ticket
collectors will be produced before
the Station Master and their
names and addresses recorded in
his Diary for reference later on.

In obedience to your order

of 24.2.98 I produced the order to the Station Master who on perusal has noted and given his opinion he required 11 Constables to be distributed as follows

4 Constables will be placed at the end of the platform on the east at intervals from the 2nd class waiting room

One Constable between 1st & 2nd class waiting rooms

Two Constables on both sides of the booking Office gates

One Constable at the opening of the Plague fencing on the west end of the platform

One Constable near the over-bridge

One Constable near the opening
leading to the K. G. Ff train.

And one Constable is required
to watch the train from top to bottom
to prevent passengers getting down
on the wrong side

Two Daffedars to look after their
duties one on the east end and the
other on the west end during day
time, during nights they may be
arranged to attend by turns

I require one Special Constable
to be with me to escort passengers
to Gold Fields coming from Plague
affected area, so that any sort of delay
may not occur as I cannot take the
Constable on duty at such times
which may cause some delay or
the other and if I were to remove
any Constables for escorting duti-

repeated demands made by the
Chief Inspector of Police for the
men taken from his Field-
Force in Consequence of a-
recrudescence of crime The out
posts at Pitchipully, Ajapully
Chinkote Chokerabindray,
Dimbala have been closed-
& the 10 men at these points
returned to regular duty

The Bowringpet Taluq
Police now supply from their
local Strength 8 men for the
Plague out post at Kasamballi
Agrahar & Sundrapalya and
Moolbagal frontiers & two men
& one Cuffadar on the High
Road between Kolar & -
Bowringpet & one Constable for
Plague Duty at the Kama-
Sundra Railway Station
and as I consider it of very
great importance that they
should be at once recouped-
by a special body of Police for
those important points & so
relieve these men for itinerating
work in the Taluk which is
Just

Just now of very great importance for Sanitary & other purposes I have to request that you will be pleased to move Government early for the entertainment of extra Police force asked for at a very early date

I have the honor to be
